## Physical Education

### Pre-K

Learning about personal space and different movements

### Grades K-1

- \*Fitnessgram Height and Weight
- Hand Eye Coordination - Juggling activities using scarfs and objects of different size and texture.
- Personal Space - learning about spatial awareness from others.

### 2<sup>nd</sup> Grade

- Hand Eye Coordination - throwing and catching
- \*Fitnessgram Height and Weight.

### Grades 3-5

- \*Fitnessgram Assessment - Height and Weight measurement, practice pacer test.
- Throwing and Catching Assessment

\***Fitnessgram** is a comprehensive fitness assessment battery for youth required by all NYC Public Schools. It includes a variety of health- related physical fitness tests designed to assess cardiovascular fitness, muscle strength, muscular endurance, flexibility and body composition.

## STEAM

Waterside on the web! We are learning about online safety on [beinternetawesome.com](http://beinternetawesome.com) and showing what we know to our peers and parents using:

K/1: Flipgrid

2/3: Clips

4/5: iMovie

Look for our Waterside on the Web video, coming soon!
